L-2

The L-2 electric scooter is crafted for efficient and eco-friendly urban commuting. Equipped with a 250W Hub-BLDC motor, it offers a top speed of 25 km/h and a versatile 3 Gear System, making it perfect for city travel. With a range of 60 km per charge, the L-2 ensures reliable and sustainable transportation. Its robust design and numerous features prioritise rider convenience and safety, making it a practical and stylish choice for daily commuting.
